INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Children First, Inc.
Sarasota, Florida

We have audited the accompanying financial statements of Children First, Inc., (the Organization), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, the related statement of functional expenses for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children First, Inc. as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended, and its functional expenses for the year ended December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited the Organization's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 5, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 11, 2017, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

CHILDREN FIRST, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE A - NATURE OF ORGANIZATION

Children First, Inc. (the Organization) is a not-for-profit organization whose purpose is to strengthen children and families by improving the quality of their lives through a comprehensive approach to development, education, health, and well-being. Federal Head Start and Early Head Start programs are available for children from birth to five years of age. Subsidized children and preschool programs are available for families with low income. The Organization also offers The Families First Initiative, which focuses on strengthening families.

Funding is provided primarily from the Department of Health and Human Services.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Organization are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

The Organization presents information regarding its financial position and activities according to three classes of net assets described as follows:

- Unrestricted Net Assets - All resources over which the governing board has discretionary control. The governing board of the Organization may elect to designate such resources for specific purposes. This designation may be removed at the Board's discretion.
- Temporarily Restricted Net Assets - Resources accumulated through donations or grants for specific operating or capital purpose or restrictions related to timing. Such resources will become unrestricted when the requirements of the donor or grantee have been satisfied through expenditure for the specified purpose or program or through the passage of time.
- Permanently Restricted Net Assets - Resources accumulated through donations or grants that are subject to the restriction in perpetuity that the principal be invested. These net assets include the original value of the gift, plus any subsequent additions.

Summarized Comparative Information

The accompanying financial statements include certain prior year summarized comparative total amounts. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2015 from which summarized information was derived.

CHILDREN FIRST, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities, as well as pro rata allocations in the recording of expenditures, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Significant estimates included in the financial statements include allocation of expenses by function and useful lives of depreciable assets.

Fair Value Measurement

The financial statements are prepared in accordance with an accounting standard, for all financial assets and liabilities and for nonfinancial assets and liabilities recognized or disclosed at fair value in the financial statements or on a recurring basis (at least annually). Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on a measurement date. The standard also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

Cash

Cash consists of cash on deposit with financial institutions and petty cash funds.

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash held in financial institutions in excess of federally-insured limits. From time to time throughout the years ended December 31, 2016 and 2015, the Organization's cash balance may have exceeded the federally insured limit. However, the Organization has not experienced and does not expect to incur any losses in such accounts.

Grants, Contracts, and Other Receivables

Grants and contracts receivable represent amounts due from various federal, state, and local agencies for purposes specified by each grant. Receivables are stated at the amount management expects to collect from outstanding balances. Management monitors the collection status of its receivable balances on an ongoing basis. The Organization provides for probable uncollectible amounts through a charge to earnings and credit to the allowance for doubtful accounts based on its assessment of the current status of individual accounts. Receivables are written off as a charge to the allowance for doubtful accounts when, in management's estimation, it is probable that the receivable is worthless. Based on management's analysis of possible bad debts, an allowance for doubtful accounts was not deemed necessary at December 31, 2016 and 2015.

Property and Equipment

Property and equipment are stated at cost, if purchased or at estimated fair value at the date of receipt if acquired by gift. Depreciation is calculated using the straight-line method over the estimated useful lives of the respective assets. Major renewals and betterments are capitalized. Maintenance, repairs, and minor renewals are expensed as incurred. It is the policy of the Organization to maintain all property and equipment in good condition. Depreciation expense is provided on a straight-line basis over the estimated useful lives of the assets ranging from 5 - 40 years.

Investments

The Organization records their investments, which comprise of the beneficial interests in assets held by foundations, at fair value in the statements of financial position. Investment income or loss (including realized and unrealized gains and losses on investments, interest, and dividends) are included as a component in the statements of activities.

Deferred Financing Costs

Loan costs are being amortized on a straight-line basis over the term of the loan. The amount is included in long-term debt, net in the statements of financial position.

Adoption of New Accounting Standard

During 2016, the Organization adopted a new accounting standard, Accounting Standards Update (ASU) 2015-03, *Interest - Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*, which requires that debt issuance costs be reported in the statements of financial position as a direct reduction from the face amount of the related liability. Prior to the amendment, debt issuance costs were presented as an asset on the statements of financial position. Additionally, amortization of debt issuance costs are now charged to interest expense instead of amortization expense. Management has applied this update retrospectively to 2015. This change did not affect total net assets or change in net assets for the years ended December 31, 2016 and 2015.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional promises to give are reported at present value at the date the promise is received to the extent estimated to be collected by the Organization. Other conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire during the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Federal grants, contract revenues and certain other revenues, including cost reimbursement contracts, are considered exchange transactions and are recorded as unrestricted revenue when earned. Revenue under these contracts is deferred until earned. Revenue is earned and recognized in the financial statements when eligible expenses are incurred or services provided.

Donated Services and Materials

Donated materials are recorded as support at their fair value at the date of donation. Contributions of services are recorded as support at their estimated fair value if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

For the years ended December 31, 2016 and 2015, the value of contributed services meeting the requirements for recognition in the financial statements has been recorded as unrestricted support. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services under the financial accounting standards.

Functional Allocation of Expenses

The costs of providing the various program and other activities have been detailed in the statement of functional expenses and summarized on a functional basis in the statements of activities. Expenses that can be identified with a specific program service are charged directly to that program, according to their natural expenditure and classification. Certain costs have been allocated among the programs and supporting services benefited based on direct usage or management's estimates of the benefit derived by each activity.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

**CHILDREN FIRST, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Uncertain Tax Positions

The Organization accounts for the effect of any uncertain tax positions based on a “more likely than not” threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a “cumulative probability assessment” that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization’s federal returns are generally open for examination for three years following the date filed.

Impairment of Long-Lived Assets

Management reviews all long-lived assets, which consist primarily of land and buildings, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to a real property appraisal. If the carrying amount of an asset exceeds its appraisal value, an impairment charge is recognized for the amount by which the carrying amount of the asset exceeds the fair value of the asset.

NOTE C - PROPERTY AND EQUIPMENT

Property and equipment consist of the following at December 31, 2016 and 2015:

| | <u>2016</u> | <u>2015</u> |

NOTE D - BENEFICIAL INTEREST

The Organization established an account with Community Foundation of Sarasota County (CFSC). The trust agreement names the Organization as the beneficiary of the investment. Earnings on the funds are periodically distributed to the Organization in accordance with the trust agreement. The Organization's interest in the assets held by CFSC is recorded at fair value. The Organization holds interests in assets held by the CFSC of \$8,401 and \$7,877 at December 31, 2016 and 2015, respectively; all of which are classified as permanently restricted in net assets.

NOTE E - FAIR VALUE MEASUREMENT

The Organization's beneficial interest is reported at fair value in the accompanying statements of financial position.

Following is a description of valuation methodologies used for investments measured at fair value.

Beneficial interest in a perpetual trust - the investments are managed by a third party who is unrelated to this Organization. The trust assets are valued based upon the third party information without adjustment. The Organization does not develop nor are they provided with the quantitative inputs used to develop the fair market values. Management has determined that these items should be reported at Level 3 because the fair values for these assets have unobservable inputs.

Fair values of assets measured on a recurring basis at December 31, 2016 are as follows:

| <u>Description:</u> | Quoted Prices In Active Markets for Identical Assets Level 1 | Significant Other Observable Inputs Level 2 | Significant Unobservable Inputs Level 3 | Total Fair Value |
|----------------------------|---|--|--|---------------------------------|
| Assets | | | | |

| | <u>2016</u> | <u>2015</u> |
|--------------------------|-----------------|-----------------|
| Balance, January 1 | \$ 7,877 | \$ 8,009 |
| Investment (loss) income | 524 | (132) |
| Balance, December 31 | <u>\$ 8,401</u> | <u>\$ 7,877</u> |

NOTE F - LINE-OF-CREDIT

The line-of-credit permits borrowing up to \$250,000, bearing interest at a variable rate based on adjusted LIBOR (1-month LIBOR was 0.7% and 0.2% at December 31, 2016 and 2015, respectively). All outstanding principal and interest is due upon maturity on October 5, 2018. The line-of-credit is secured by real property. The lines had no outstanding balance as of December 31, 2016 and 2015.

NOTE G - NOTES PAYABLE

Notes payable consist of the following at December 31, 2016 and 2015:

| | <u>2016</u> | <u>2015</u> |
|---|-------------------|-------------------|
| Note payable to a financial institution, bearing interest at a fixed rate of 4.55%, principal and interest payments due monthly, maturing October 5, 2029, at which time all unpaid principal and interest is due, secured by real property | \$ 758,657 | \$ 801,677 |
| Deferred loan costs | (14,574) | (14,574) |

| Total notes payable, net | <u>\$ 700,870</u> | <u>\$ 745,382</u> |

Future maturities of notes payable as of December 31, 2016 are as follows:

| <u>Years Ending December 31,</u> | <u>Debt Service</u> | <u>Amortization</u> |
|--------------------------------------|---------------------|---------------------|
| 2017 | \$ 45,156 | \$ 972 |
| 2018 | 47,281 | 972 |
| 2019 | 49,509 | 972 |
| 2020 | 51,762 | 972 |
| 2021 | 54,280 | 972 |
| Thereafter | <u>510,669</u> | <u>7,771</u> |
| Total | <u>\$ 758,657</u> | <u>\$ 12,631</u> |

In prior years, the Organization had reported debt issuance costs as a deferred charge in the statements of financial position and amortization of such costs in the statements of activities as depreciation and amortization. To comply with new GAAP presentation requirements, in 2016, the Organization began reporting such costs as a direct deduction from the face amount of the related debt (as shown in the table above) and reclassified prior year amounts, resulting in a reduction of total 2015 assets and liabilities by \$13,602. The change did not affect net assets.

Similarly, the Company now reports amortization of debt issuance costs of \$972 as interest expense and reclassified 2015 amount accordingly. This had no effect on the change in net assets.

The notes payable contain customary affirmative covenants, negative covenants, and events of default but have no financial covenants. The Organization was in compliance with all covenants at December 31, 2016 and 2015.

NOTE H - TEMPORARILY RESTRICTED NET ASSETS

As of December 31, 2016 and 2015, temporarily restricted net assets related to the following:

| | <u>2016</u> | <u>2015</u> |
|----------------------|-------------------|-------------------|
| Peace Project | \$ 2,638 | \$ 2,638 |
| United Way - Pledges | <u>124,954</u> | <u>124,954</u> |
| | <u>\$ 127,592</u> | <u>\$ 127,592</u> |

NOTE I - PERMANENTLY RESTRICTED NET ASSETS

As of December 31, 2016 and 2015, permanently restricted net assets related to the following:

| | <u>2016</u> | <u>2015</u> |
|-----------------------|------------------|------------------|
| Nuturing Dads | \$ 8,401 | \$ 7,877 |
| Ideal Foundation | 20,000 | 20,000 |
| Wishnie Memorial Fund | <u>56,767</u> | <u>52,838</u> |
| | <u>\$ 85,168</u> | <u>\$ 80,715</u> |

NOTE J - IN-KIND CONTRIBUTIONS

Certain services are provided to the Organization gratis or at a cost substantially less than fair market value. The difference between that actual charge and the estimated fair market value is reflected as in-kind revenue and expense in the accompanying financial statements. In-kind revenue and expense of \$670,652 and \$497,787 for the years ended December 31, 2016 and 2015, respectively, consisted primarily of in-kind rent for centers and in-kind professional services. Additionally, volunteers and parents have donated 10,200 and 6,135 hours for 2016 and 2015, respectively, to the Organization in various capacities. However, these services are not reflected in the financial statements as the services do not require specialized skills.

CHILDREN FIRST, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE K - OPERATING LEASES

The Organization leases center space, vehicles, and certain office equipment under operating leases, which expire on various dates through 2017. The rent expense under these operating leases for the years ended December 31, 2016 and 2015 was \$316,190 and \$317,698, respectively, and is included in occupancy in the statement of functional expenses. In-kind rental expense for various space for the years ended December 31, 2016 and 2015 was \$283,150 and \$279,728, respectively.

Future minimum lease payments required under non-cancelable leases as of December 31, 2016 are as follows:

| | | |
|------------------------------|----|----------------------|
| 2017 | \$ | 23,409 |
| 2018 | | 19,114 |
| 2019 | | 15,034 |
| 2020 | | <u>12,994</u> |
| Total minimum lease payments | \$ | <u><u>70,551</u></u> |

NOTE L - RETIREMENT PLANS

The Organization has a 403(b) retirement plan covering all employees who have completed 1,000 or more hours of service within a one-year service period. The Organization's policy is to contribute 5% of eligible employee's compensation to the plan. In addition, for employees contributing at least 1% of compensation, the Organization will also contribute \$1 for each \$1 the employee contributes to the plan up to 2% of compensation. The employer's contribution vests based on the years of service. Forfeitures are used by the Organization to offset its contribution to the plan. Retirement expense for the years ended December 31, 2016 and 2015 was \$247,685 and \$218,807, respectively.

NOTE M - CONCENTRATIONS OF RISK

The Organization received federal funding from the Department of Health and Human Services in 2016 and 2015, which accounted for approximately 57% and 61% of revenues.

The Organization receives a substantial amount of support from grantor agencies for its programs. If this support were to be reduced or eliminated, it could affect the operation of the supported programs. In addition, the Organization is subject to audit examination by grantor agencies. In the event that reimbursed expenditures were disallowed, repayments would be required. Management believes the Organization is in compliance with the terms of its grant agreements.

CHILDREN FIRST, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE N - CONDITIONAL PROMISES TO GIVE

During 2015, the Organization began a program campaign called Raise Your Hand. These pledges are an intention to give, rather than a promise, and are dependent on the ongoing sustainability of the four new initiatives outlined in the campaign. At December 31, 2016 and 2015, the Organization had \$2,319,980 and \$1,177,500, respectively, of conditional pledges outstanding. Since these grants represent conditional promises to give, they are not recorded as contribution revenue until donor conditions are met. Funds received from the donor in advance of the conditions being met totaled \$260,000 and \$160,000 as of December 31, 2016 and 2015, respectively, recorded as refundable advances within deferred revenue in the accompanying statements of financial position; and will subsequently be recognized as contribution revenue when donor conditions are met.

NOTE O - SUBSEQUENT EVENTS

The Organization evaluated subsequent events through April 11, 2017, the date the financial statements were available and issued. The Organization is not aware of any subsequent events which would require recognition or disclosures in the financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Children First, Inc.
Sarasota, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Children First, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 11, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Children First, Inc.
Sarasota, Florida

Report on Compliance for Each Major Federal Program

We have audited Children First, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2016. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

CONTINUED

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE - CONTINUED**

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on a each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
